About ICERSS

2025 International Conference on Environment Research and Social Science (ICERSS 2025) will take place in Jeju Island, South Korea during April 25-27, 2025. The international event was supported by Korea Institute of Energy Technology, South Korea. This conference concentrates on findings of the original, either theoretical or applied research, which is suitable for international communication and exchange of scientific ideas. Industrial companies, incubators and investors are also welcome to join ICERSS. The conference will provide a platform for scholars to interact and find new opportunities for science and technology development.

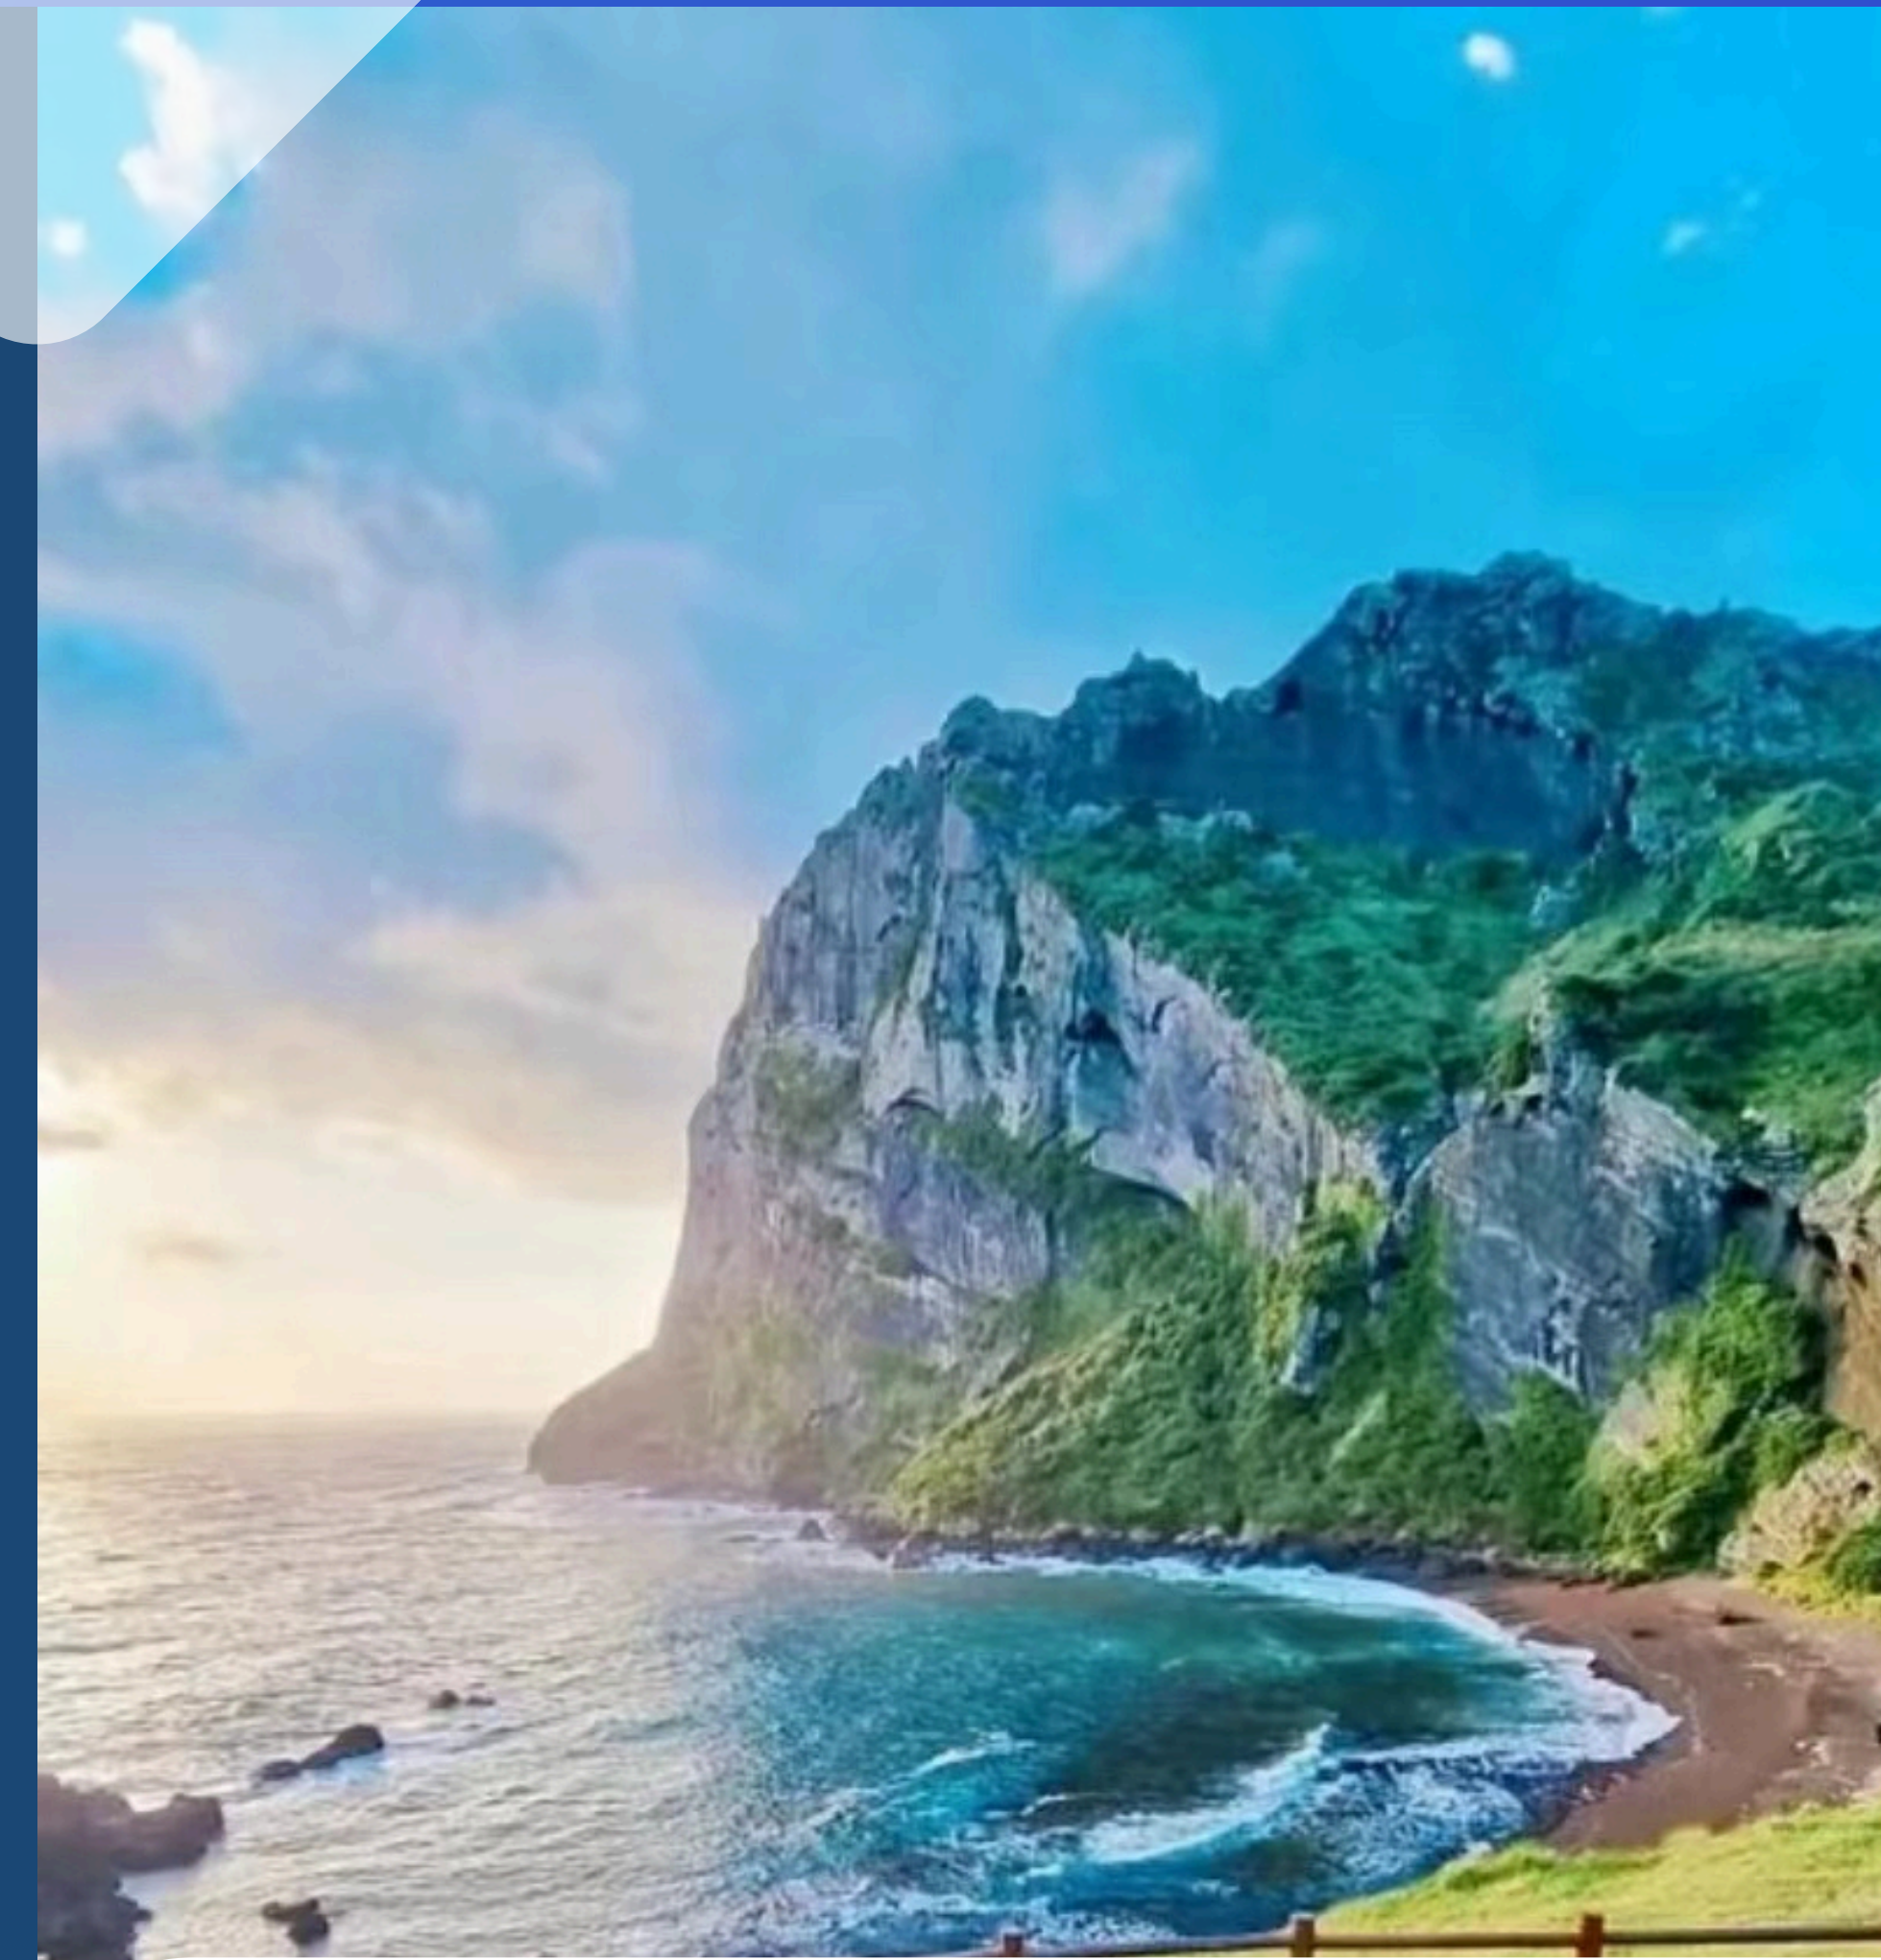

Publication

International Journal of Environmental Science and Development (e-ISSN: 2972-3698; print-ISSN: 2010-0264), The journal is now indexed by Scopus, Google Scholar, CNKI, ProQuest, EBSCO, etc

International Journal of Social Science and Humanity (e-ISSN: 2010-3646), The journal is now indexed by Google Scholar, Crossref.

Submission
